

FEELINGS:

Feel more connected to the 'stars' than earth?

- Feel very 'different' to your parents or siblings, almost like your have been adopted?
- Feel that there is no one the same as you?
- Feel very drawn to a universal spirituality
- Feel you have a 'mission' or purpose that you are not conscious of yet?
- Feel your body seems very 'dense' or 'bulky'?
- Feel very 'connected' to all living things?
- Feel passionate about the planet and caring for it?
- Feel the impulse to draw unusual symbols or pictures?
- Feel the urge to draw the faces of 'unusual' beings?
- Feel the 'urge' to speak in a 'strange' language, which somehow feels very familiar to you?
- Feel 'constantly' watched or observed?
- Feel that you are being touched when resting or sleeping by something or someone?
- Feel you are 'sharing your consciousness' with another being?
- Feel you can sometimes be in two places at once?
- Feel you can visit or see other 'places/planets' with your consciousness?
- Feel that someone is speaking 'telepathically' to you sometimes?
- Feel determined to have a very holistic, healthy mainly 'vegetarian' diet?
- Feel you have 'unusual' small objects implanted in your body?
- Feel you have got 'unusual' strange children somewhere else?
- Feel you can hear people's thoughts?
- Feel drawn to travel to remote places?
- Feel a 'strong' connection or 'pull' to a strange planet, which feels like home?

AWARENESS:

Aware of healing energy in your hands?

- Can see aura's, colours or energy fields around people?
- Dream that your 'body' or mind, has been changed or altered in someway?
- Aware of 'different' energies from people?
- Have 'dreams' where you feel you are attending an 'unusual' school?
- Have out of body experiences, feel you are going through walls or windows?
- Have dreams where you are flying?
- Have 'difficulty' at times being in crowds of people?
- Aware of 'past lives as human or extra-terrestrial'?
- Aware of being in a dual reality at times?
- Aware of events before they happen?
- Aware of information/knowledge in your head that you have not consciously learnt?
- Have played or known to have 'unusual' imaginary friends?

PHYSICAL EFFECTS:

- See strange beings either physically with your eyes or with your inner eye?
- Have 'energy' surges in your body sometimes?
- Have 'marks' or 'scars' on your body that you cannot explain?
- Wake up with 'nose bleeds'?

- Learnt to speak, walk, earlier than average?
- Become very distressed when any living thing is harmed or killed?
- See UFO's (Unidentified Flying Objects?)
- Fascinated by UFOs or the possibility of ET life forms?
- Drawing unusual writing or scripts?
- Notice that sometimes your thoughts can affect lights or objects?
- Electrical equipment reacts erratically around you?
- You have difficulty wearing a watch?
- Have found that occasionally your body will spontaneously levitate?
- Woken up and felt you had been healed in some way?
- Have memory gaps in your childhood?
- Have 'paralyzing' dreams, where you feel you are awake, but cannot move?
- Experience missing or 'extra' time episodes?
- Have or had difficulty fitting in at school or in life generally?
- Have a sensitivity/ allergy to many pollutants, or drugs?
- Have sensitive/acute hearing?
- Irregular 'sleep' patterns?
- Experience strange or unusual psychic or paranormal phenomena around you?
- Low vital signs, ie - slower heart rate 60 - 70 beats per minute?
- Lower blood pressure and body temperature than normal?

FEARS:

Clowns, Father Christmas, Owls, Spiders, large Insects, Cats or Wolves?

- Fear of the dark, closet, long passage ways, elevators, even when adult?
- Rooms without curtains?
- Of certain locations?
- React with excessive fear to medical surroundings, procedures and/or needles
